This article was originally published online on 30 July 2013 with an error in Eq. (6). The correct equation should read:

$$f(r) = \begin{cases} 1 & r < r_{start} + r_{vdW} \\ 1 + t^3(t(15 - 6t) - 10) & r_{start} + r_{vdW} < r < r_{stop} + r_{vdW} \\ 0 & r > r_{stop} + r_{vdW} \end{cases} . \tag{6}$$

AIP Publishing apologizes for this error. All online versions of the article were corrected on 1 August 2013; the article was correct as it appeared in the printed version of the journal.
